Brick by Brick

Putting it together

Trustee Gil Newman installing a Heritage Brick under The JHMOMC flagpole.

Join us as The Jewish Heritage Museum of Monmouth County launches the ***Next Step*** fundraising campaign. All non-profit organizations are challenged to grow. Achieving that growth is no small project, but working together, we can all achieve great things. With this in mind the JHMOMC Board of Trustees and fundraising committee are committed to raising the funds necessary to take the Next Step in the JHMOMC's future growth and success.

The goals of this *Next Step* are many. They include: increased hours of operation to better serve the community; climate controlled archival space to preserve Monmouth County's Jewish artifacts for future generations; professional management and administrative services; funding research into Monmouth County's rich and unique history to share with our community; increase our research archives, increase our educational outreach and involvement of youth in our past, present and future. All these initiatives, among others, need funding to become a reality.

The JHMOMC is a gift to the Jewish community and the community at large. The unique, inspirational story's of Monmouth County's Jews are very much the story of America. Your generous purchase of a **Heritage Brick** will help preserve history for generations to come.

Join us as The JHMOMC takes the Next Step and preserves the past while moving passionately into the future. A **Heritage Brick** can honor a loved one, the birth of a child, to commemorate an anniversary, graduation or to publicize your business. The possibilities are as varied as the stories the JHMOMC is dedicated to telling.

Thank you for your support !

The cost of each **Heritage Brick** is **$136 per brick**.
Please allow 8 to 12 weeks for the custom engraving and installation of your brick.
You will be notified by e-mail, phone or postal service when your brick has been installed.
